

# Generations in Jazz Academy Audition Dates

Are you interested in studying jazz music with Graeme Lyall, one of the finest jazz music teachers in Australia? Or studying music full time to enhance your music career? Then make sure you attend an audition to become a member of the 2011 Generations in Jazz Academy in Mount Gambier, South Australia.

Auditions will be held at two venues in September. You can choose to attend the audition at one of these venues:

Melbourne - Saturday 4 September  
Wesley College, St Kilda Road.

Adelaide - Saturday 11 September  
Marryatville High School, Kensington Road.

To ensure a position at these auditions, please fill in the Application for Audition form found at [www.tenison.adl.catholic.edu.au](http://www.tenison.adl.catholic.edu.au). All forms and information regarding the course can be found under the Generations in Jazz Academies link.

If you have been a member of Superband 1 or 2 at a prior Generations in Jazz weekend, you still need to fill in the Application for Audition form but will not need to attend a live audition. This is to ensure you are still considered for the course.

Good luck!
