MUSIC DIRECTOR'S WEEKEND

*If you think Generations is a fun weekend, imagine
being there without the kids!*

Our second annual Music Director's Weekend will feature the talents of Mr John Hoffman.

Known internationally for his lead trumpet playing with the Woody Herman and Buddy Rich bands, John has lived in Australia for 32 years and for the last 20 years has been active in Jazz education at all levels.

He has mentored many students through high school and onto successful music careers. Along with Graeme Lyall, covering woodwind aspects, and myself, unlocking the secrets to building a strong rhythm section, this will be a weekend of invaluable skill development.

The Barn Accommodation or the Commodore on the Park, owned by two GJ Board members can offer accommodation or for more extensive accommodation options go to www.mountgambliertourism.com.au.

I know that Karyn Roberts would be happy to assist in anyway, so contact her at admin@generationsinjazz.com.au or 0408-854316.

Looking forward to seeing you there!
